

BLOOMSBURG

hospitality carpet at its finest.

FIVE-STAR

QUALITY, BEAUTY & DURABILITY

IMPRESS YOUR GUESTS WITH ARTISTRY THAT LASTS — WITH AXMINSTER CARPETS WOVEN IN AMERICA ONLY BY BLOOMSBURG CARPET

For making a lasting, singular impression at hotels and hospitality centers; cultural, theatrical and entertainment halls; museums and seats of government; and other high-end/high-traffic public venues, there's no more beautiful and durable flooring solution than Axminster carpet. And there's only one place in the United States that proudly produces the authentic weave: Bloomsburg Carpet.

YOUR SOLE SOURCE FOR AXMINSTER IN AMERICA

In fact, at our modernized, eco-friendly mill in Bloomsburg, Pennsylvania, our high-speed Axminster equipment is the only of its kind in the United States, making Bloomsburg Carpet your sole source for homegrown Axminster carpet in America.

A CULTURE OF CRAFTSMANSHIP

Producing American-crafted products in the Susquehanna River Valley is still core to our culture as a company, but we continue to modernize and innovate, keeping our customers on the cutting edge of custom carpets. This unique combination of American craftsmanship with global sourcing, weaving exceptional products with the world's finest wools, makes Bloomsburg Carpet unlike any other carpet mill in the U.S.A. today.

For four decades, Bloomsburg Carpet has prided itself on manufacturing the highest quality, American-made carpets. True and dedicated artisans, we remain passionate about ensuring the finest craftsmanship and sustainable innovation in commercial, institutional and residential carpets – all proudly woven in America.

Our new, remarkable state-of-the-art equipment enables us to produce highly customized Axminster carpet with speed and efficiency, making the hospitality industry's carpet of choice more available and affordable than ever.

- Leverage our on-site design staff for complete customizability
- Choose from over 600 available colors or spec your own
- Specify custom-pattern samples produced in an expedited fashion

ECO-FRIENDLY FLOORING

At Bloomsburg Carpet, we design, develop, and create products that avoid depletion of raw material resources and prevent further environmental degradation. Our products are certified by the Carpets and Rug Institute for indoor air quality and have earned the Green Label Plus certification. We are committed to exceeding your expectations with superior products that meet the demands of today's interiors without compromising the needs of future generations.

YOU ABSOLUTELY WILL FALL IN LOVE WITH THE WONDERS OF BLOOMSBURG CARPET.
